Service Uniform Manner of Wear

General

The Service Uniform consists of a garrison cap, shirt/overblouse, trousers/slack or skirt, belt and buckle (male), relaxed fit jacket and appropriate embroidered rank/rate insignia and metal collar, cap and jacket devices. This uniform shall be worn on the same occasions as Working Blue and Working White Uniforms.

Shirt (Male)

The shirt shall be tucked into the trousers and shall be long enough to tuck into the trousers without pulling out when reaching over your head, and be no longer than the trouser pocket bags. The shirt shall fit comfortably over the chest without the center front pulling open. All buttons shall be closed. Men's shirts button to the right. All ribbons, warfare devices, ID badges, t-shirts and name tags shall be worn as on the Working Blue and Working White Uniforms.

Trousers (Male)

Button all buttons, close all fasteners, and wear a belt through all loops. Trousers shall fit comfortably over the body without pulling open the side pockets and center front closure. Trousers shall hang approximately 2 inches from the floor at the back of the shoe. Trousers should be tailored to include a 2 inch hem to provide material for adjustments.

Overblouses (Female)

The overblouse shall be worn outside the slacks and skirt and shall hang comfortably over the hips and chest without pulling open. The length shall be long enough to fall 1" above the bottom of the side pocket opening. All buttons shall be closed. Women's overblouses button to the left. All ribbons, warfare devices, ID badges and nametags shall be worn when prescribed for the Working Blue and Working White Uniforms. Ribbon and nametag placement shall be the bottom of the ribbons or nametag shall be lined up 6 1/4" below the intersection of the shoulder and front seam.

Slacks (Female)

Button all buttons and close all fasteners. Hips should fit comfortably over the body without pulling open the side pockets and center front closure. Slacks shall hang approximately 2 inches from the floor at the back of the shoe. Slacks should be tailored to include a 2 inch hem to provide material for adjustments.

Service Uniform Manner of Wear (cont.)

Skirts (Female)

Button all buttons. Hips should fit comfortably over the body without pulling open the side pockets and center back closure. Length may range from 1 1/2 inches above to 1 1/2 inches below the crease behind the knee. Wear skirts with the zipper centered in back.

Garrison Caps

Worn squarely on the head, with fore and aft crease centered vertically between the eyebrows and the lowest point approximately 1 inch above the eyebrows. (USN Regs 3501.10)

Belts and Belt Buckles (Male)

For the web belt with the closed silver buckle the buckle's right side shall align with the opening of the shirt and the opening of the trouser fly, forming a straight line. The tip shall be flush with the buckle (USN Regs 3501.7b).

For the belt worn with the open buckle, the buckle's right side shall align with the opening of the shirt and the opening of the trouser fly, forming a straight line. The tip of the belt shall extend 2 – 4 inches past the edge of the buckle.

Relaxed Fit Jacket

Relaxed Fit Jacket – The jacket shall fit comfortably over the shoulders and chest allowing free use of arms without discomfort. Close zipper at least 3/4 of the way. Patches and name tags are not authorized for wear on jackets (USN Regs 3501.30). Shall be worn with Uniforms A-D dependent on climatic conditions

Concept of Fit

Overblouse: Overblouse shall fit over bust line, with or without T-shirt, with at least 4-6 inches of ease and waistline shall fit with at least 4 inches of ease, without the center front pulling open when upper arms are bent parallel to shoulders. The upper back of the overblouse shall lay flat from shoulder point to shoulder point without pulls or wrinkles. The length of the overblouse shall hang comfortably over the hips, without pulling, and fall between 1 inch above to 1 inch below the bottom of the side pocket openings of the slacks and skirt. Sleeve opening shall have approximately 2 inches of ease when 1 inch is pinched closed on a flexed upper arm and sleeve length shall be above the bend of the elbow. **(NCTRF Concept of Fit)**

Shirt: Shirt shall fit over chest, with T-shirt, with at least 4-6 inches of ease and waistline shall fit with at least 4 inches of ease, without the center front pulling open when upper arms are bent parallel to shoulders. The upper back of the shirt shall lay flat from shoulder point to shoulder point without pulls or wrinkles. The length of the shirt shall be long enough to tuck into the trousers without pulling out when reaching over your head, and be no longer than the bottom of the pocket bag. Sleeve opening shall have approximately 2 inches of ease when 1 inch is pinched closed on a flexed upper arm and sleeve length shall be above the bend of the elbow. **(NCTRF Concept of Fit)**

Slacks: Slack waist shall fit comfortably on waistline, fitting 2 fingers comfortably inside the waistband. Hips shall fit comfortably over body without pulling open the side pockets and center front closure and there shall be at least 1-1/2 to 2-1/2 inches of ease across seat area at base of side pockets. The thigh area of the garment shall hang straight from the fullest part of the seat straight to the floor; it shall not hug the seat area. Rise of slacks shall rest comfortably on both the front and back seat areas without pulling or riding up the body. Slack length shall be sufficient to turn up a hem of 2 inches. **(NCTRF Concept of Fit)**

Skirt: Skirt waist shall fit comfortably on waistline, fitting 2 fingers inside the waistband comfortably. Hips shall fit comfortably over body without pulling of the side seam pockets and center back closure and there shall be at least 1-1/2 to 2-1/2 inches of ease across seat area at base of side pocket. Skirt length shall be sufficient to turn up a hem of 2 inches, so as to fall between 1-1/2 inches above to 1-1/2 inches below the knee crease at the back of the leg.
